

An aerial photograph showing a wide river with brownish water. A multi-lane bridge crosses the river from the left. On the bridge, a large orange truck and a white car are visible. Several speedboats are moving across the river, leaving white wakes. On the right bank, there is a park area with green grass, trees, and a blue and white paved area. A small cluster of boats is docked near the shore. The text "Somos...." is overlaid in the center of the image.

A group of 20 people, mostly wearing white polo shirts with a logo, are posing for a group photo in front of a building with vertical bars. The group is arranged in three rows, with some people standing and others kneeling or sitting in the front. The background is a light-colored wall with several windows. The text on the left side of the image lists the organizational structure.
